#smartcities #CyberSecurity #hack #hackers #infrastructure

If you've paid the city of #Atlanta anything, you may want to keep an eye  
on your accounts. [Worry] #CyberHack #hack <https://t.co/hFtZpo3ri7>

IMO They have been given license to hack by trump. He didn't punish them  
so they are going to keep trying.\n\nCyberattackers strike city of Atlanta -  
ABC News <https://t.co/hPf558reTh> (via @ABC)

City of Atlanta computer hack today was cyber attack -- Secret Service
